

DOMINION COVERED DENTAL PROCEDURE CODES

PLAN YEAR - 2026

MASS ADVANTAGE

A Medicare Advantage Plan

This code listing is applicable to all Mass Advantage products, including both HMO and PPO plans.

Any services not listed in this chart are not covered.

The plan is administered by Dominion Dental Services, Inc., which operates under the trade name Dominion National. Supplemental dental services are covered with providers in the National Dominion PPO Network. To see if your dentist is a Dominion PPO Network dentist or if you need a new dentist, review the Dental Directory located at MassAdvantage.com, or contact Member Services.

A member may choose to receive treatment from an out-of-network dentist. Benefits are calculated using a Maximum Allowable Charge (MAC). Members are responsible for any difference in amount charged by an out-of-network dentist and MAC per procedure. Billing arrangements are made between the member and the out-of-network dentist.

For any questions about network or coverage, please contact Member Services:

- For HMO Members: (844) 918-0114
- For PPO Members: (844) 915-0234
- TTY: 711

Calls to these numbers are free. From October 1 to March 31, we're available 7 days a week from 8 am to 8 pm EST. From April 1 to September 30, we're available Monday through Friday from 8 am to 8 pm EST. A messaging system is used after hours, weekends and on federal holidays.
