# YOUR DENTAL BENEFIT

MASS ADVANTAGE

A Medicare Advantage Plan

## YOU HAVE 2 WAYS TO TAKE ADVANTAGE OF THIS BENEFIT

### 1 Use in-network DentaQuest Providers

- \$0 copay for in-network preventive services including routine dental exams, cleanings, and X-Rays
- \$0 copay for certain in-network comprehensive services, including restorative services, periodontics, and extractions up to annual limit:
  - \$1,500 HMO Basic
  - \$2,000 HMO Plus

Find **in-network DentaQuest providers** or look up **in-network covered dental procedures**

### 2 Stretch your dental benefit further with your Flex Benefit card allowance

Annual benefit allowance available:

- Up to \$650 with HMO Basic
- Up to \$775 with HMO Plus

**2A.** Cover the cost of dental procedures not included in the Mass Advantage Dental benefit when utilizing in-network DentaQuest providers.

**2B.** See the dentist of your choice outside the DentaQuest network and use your Flex Benefit card\* allowance to pay for your dental procedures.

**Example for #1:** If a Mass Advantage HMO member visits an in-network dentist for a routine cleaning, oral exam and an x-ray (part of preventive service) and then gets a filling (included in comprehensive service), both services will be covered. Preventive service covered in full. Cost of the filling covered up to annual limit.

**Example for #2A:** If a Mass Advantage HMO member visits an in-network DentaQuest provider and undergoes a routine cleaning (preventive), followed by a non-covered comprehensive procedure like an implant, they will incur no cost for the routine cleaning (as it's covered under the DentaQuest in-network benefit). Then, the member can use their Flex benefit card\* allowance (up to the allowable amount per plan) to help pay for the implant, which isn't covered by the Mass Advantage dental benefit provided through DentaQuest.

**Example for #2B:** If a Mass Advantage HMO member visits a provider outside of the DentaQuest network, they can use their Mass Advantage Flex benefit card\* allowance to cover both preventive and comprehensive procedures, up to the plan allowance (\$650 for HMO Basic and \$775 for HMO Plus).

\*The Flex Benefit Card allowance can be used to pay for a range of services, including dental, fitness, weight management and eyewear upgrades. You have the flexibility to use your allowance entirely for one type of service or split it between multiple services.

Mass Advantage is a Medicare Advantage organization with a Medicare contract offering HMO and PPO plans. Enrollment in Mass Advantage depends on contract renewal.
