

Outpatient Authorization Request Form

Guidelines

For information on medical (Part A and B) prior authorization requirements, visit [UM-22 Prior Authorization Code List](#).

PREAUTHORIZATION REQUESTS (PRESERVICE)

- Preservice should be submitted at least two weeks prior to the date of service or facility admission.
- **If the servicing provider is not part of the Mass Advantage network, please submit this form with a letter of medical necessity (including clinical documentation) explaining why the service(s) can only be provided by an out-of-network specialist.**
- For Part D drug preauthorization, visit <https://MassAdvantage.com/providers/resources> under the “Pharmacy Benefits” section.

RETROSPECTIVE AUTHORIZATION REQUESTS (POSTSERVICE)

- It is very important that prior authorization procedures are followed for services that require prior authorization. If the referring network provider fails to follow prior authorization protocols, Mass Advantage may decline to pay the claim in which case participating providers will be held financially responsible for services received by the member.
- For more information, visit [Authorization and Notification Procedures](#).
- **Participating providers** seeking retrospective authorization for a Mass Advantage member must file a claim for that service, wait for the claim denial, and then submit a [Provider Request for Claim Review Form \(Contracted\)](#).
- **Non-participating providers** seeking retrospective authorization for a Mass Advantage member must file a claim for service that service, wait for the claim denial, and then initiate the claim appeal process on behalf of the member. Submit a [Provider Request for Claim Review Form \(Non-Contracted\)](#), the appeal process cannot begin with a signed Waiver of Liability Form included in the linked Provider Request for Claim Review Form (Non-Contracted).

FORM SUBMISSION INSTRUCTIONS
