This pharmacy directory was updated on 7/01/2024.

For more recent information or other questions, please contact us, Mass Advantage Member Services, at (844) 918-0014 (HMO members) or (844) 915-0234 (PPO members) or, for TTY users, 711, April 1 – September 30, 8:00 a.m. – 8:00 p.m. Eastern, Monday – Friday, October 1 – March 31, 8:00 a.m. – 8:00 p.m. Eastern, 7 days a week, or visit www.massadvantage.com.

Changes to our pharmacy network may occur during the benefit year.

An updated Pharmacy Directory is located on our website at www.massadvantage.com.

Introduction: This booklet provides a list of Mass Advantage’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Mass Advantage’s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Mass Advantage. When it refers to “plan” or “our plan,” it means Mass Advantage Basic (HMO), Mass Advantage Plus (HMO), and Mass Advantage Premiere (PPO).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy [or through our mail order pharmacy service]. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 7/01/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Worcester County, the area in which you live. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This directory lists pharmacies by their type (e.g. Retail Pharmacies, Mail Order, Home Infusion, etc.) and then alphabetically by city or town. Pharmacies are listed alphabetically.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 5-8 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact the numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website.
