If you have a Reconsideration request, please contact us at **866-312-8467**. Providers: You must get an Organization Determination for services before service is provided. Payment is subject to coverage, patient eligibility and contractual limitations. Prior Authorization is not a guarantee of payment. Also, while some providers may not be directly responsible for obtaining prior authorization as a condition of payment, in some instances you may need to make sure that prior authorization has been obtained.
