INTRODUCTION TO SUMMARY OF BENEFITS

This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at www.MassAdvantage.com.

You are eligible to enroll in Mass Advantage if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Mass Advantage service area counties). Our service area includes the following counties in Massachusetts: Worcester.

The Mass Advantage Plus (HMO) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.MassAdvantage.com. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-network providers, neither Medicare nor Mass Advantage Plus (HMO) plan will be responsible for the costs.)

This Mass Advantage Plus (HMO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source. You can access information about how the coverage works, including covered drugs as well as coverage limitations on our website at www.MassAdvantage.com.
