I. GENERAL INFORMATION

This list provides prior authorization guidance for providers who participate in the Mass Advantage Medicare PPO, HMO Basic, and HMO Plus plans.

- To request prior authorization, please complete and submit the [Prior Authorization Request Form](#) via fax or call 888-656-7783
- Member eligibility and benefit coverage can be verified by contacting Provider Services or electronically on secure Provider website.
- Note that Prior Authorization is *not required* for emergency or urgent care.
- Obtaining a prior authorization is not a guarantee of payment. In addition, while some providers may not be directly responsible for obtaining prior authorization, in some instances as a condition for payment, you may need to make sure that prior authorization has been obtained.
- As a Medicare Advantage plan, Mass Advantage is required to make coverage determinations for services through the Centers for Medicare and Medicaid Services (CMS) [National Coverage Determination \(NCD\) policies](#) and Massachusetts Medicare Administrative Contractors [Local Coverage Determination \(LCD\) policies](#). When cited by CMS, NCDs, LCDs, and Original Medicare guidance in Medicare manuals are provided for each indication listed below. When CMS citations are not available, we follow a Hierarchy of Evidence for prior authorization review.
