Mass Advantage Plan Options Guide

MASS ADVANTAGE
Plan to love your plan.

You Have Choices as a Medicare Beneficiary

If you have Medicare or will soon be eligible, you need to understand what it does and does not cover.

This brochure describes:

- Basic options for how your Medicare benefits will be delivered
- Your Medicare Advantage plan options with Mass Advantage

PART A

You can rely on Original Medicare (Parts A and B) alone to provide your coverage. However, it's important to know that Original Medicare covers only about 80 percent of most people's medical expenses and does not include prescription drug coverage.

PART B

If you wanted prescription drug coverage, you'd have to buy a separate Medicare Part D drug plan.*

PART D

PART C

You can choose a Medicare Advantage plan (Medicare Part C) to provide all of the benefits you are entitled to under Medicare — plus extra benefits, which often INCLUDE Medicare Part D prescription drug coverage. Medicare Advantage plans are provided by companies with a Medicare contract. When you have a Medicare Advantage plan, you will not need to use your Medicare card to obtain medical services.

*** IMPORTANT:** If you're new to Medicare and you do not enroll for Part D prescription coverage when you first become eligible, you may be subject to a late-enrollment penalty. The cost of the late enrollment penalty depends on how long you went without Part D or creditable prescription drug coverage. Visit [medicare.gov](https://www.medicare.gov) for more details.

Parts of Original Medicare

Original Medicare consists of **Part A and Part B**.

Part A is Hospital Coverage.

Part A helps cover your inpatient care in hospitals, including critical access hospitals and long-term care hospitals. Most people automatically get Part A without having to pay a monthly premium.

Part B is Medical Coverage.

Part B helps cover medical services like doctors' services and outpatient care when they are medically necessary. Most Medicare beneficiaries pay a monthly premium for Part B coverage.

Optional Parts Of Medicare

Medicare Part C and Part D are important options

that can help you pay some of the out-of-pocket costs not covered by Original Medicare.

Part C is also known as Medicare Advantage.

Medicare Advantage plans (Part C) include all of your Part A and Part B coverage, as well as extra benefits. For some Medicare Advantage plans, you pay a monthly premium.

Part D is prescription drug coverage.

Part D coverage is designed to help lower your prescription drug costs. Part D coverage is available in standalone plans or may be included with a Medicare Advantage plan.

The Advantage of Medicare Advantage

Medicare Advantage organizations (Part C) such as Mass Advantage have a contract with the federal government to provide all of your Medicare benefits in one simple plan.

When you enroll in a Medicare Advantage plan, you are still in Medicare, although you won't have to use your red, white and blue Medicare card to obtain services.

Your Medicare Advantage plan will provide all of your Part A (hospital) and Part B (medical) coverage and other medically necessary services.

Many Medicare Advantage plans include your Medicare Part D prescription drug coverage, as well as additional benefits.

Medicare Advantage plans are often an affordable option to help lower out-of-pocket costs.

Mass Advantage Utilization Management (UM)

Our UM Program has several parts. These include but are not limited to:

- Preauthorization for various procedures, medical services, treatments, prescription drugs and DME.
- Review of the appropriateness of inpatient admissions.
- Prior approval for referrals to non-participating health care providers, if applicable.
- Case management.
- Preservice review- or authorization of services requested before they have been performed.
- Appeals – a formal way of asking us to review and change a coverage decision we have made.
- Concurrent Review of ongoing inpatient and home health coverage.
- Post service review or authorization of services requested after they have been performed.

Our goal is to encourage the highest quality of care in the right place at the right time from the right health care provider.

Health care providers cooperate with our UM Program and your role as a member is to allow us access to data and allow us to collect data to conduct UM reviews and decisions.

The Utilization Management (UM) Program is a component of the Clinical Operations Department and monitors both access and quality of care using nationally recognized, evidence — based standards of care across the Medicare lines of business. All requests are assessed based on medical necessity and appropriateness of services using a hierarchy of medical evidence that includes nationally recognized criteria, such as MCG® Guidelines, the Centers for Medicare and Medicaid Services' (CMS) definition of medical necessity and CMS National and Local Coverage Determinations, and Magellan coverage guidelines, when authorizing the delivery of healthcare services to members.

Filing an Appeal: If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal and it must be submitted in writing. In this appeal, we review the coverage decision we made to check to see if we were following all the rules properly. Your appeal is handled by different reviewers than those who made the original unfavorable decision. When we have completed the review, we will send you our decision in writing.

If we say no to all or part of your Level 1 Appeal, you can go on to a Level 2 Appeal. The Level 2 Appeal is conducted by an Independent Review Organization that is not connected to us. (In some situations, your case will be automatically sent to the Independent Review Organization for a Level 2 Appeal. In other situations, you will need to ask for a Level 2 Appeal.) If you are not satisfied with the decision at the Level 2 Appeal, you may be able to continue through additional levels of appeal.

Members and Prospects can find more information about Utilization Management or how to file an appeal by contacting us at (844) 614-0745 TTY: 711. Our office hours are Sunday through Saturday, 8:00 a.m. to 8:00 p.m. EST for October 1 through March 31 and Monday through Friday, 8:00 a.m. to 8:00 p.m. EST for April 1 through September 30. Or visit us at [MassAdvantage.com](https://www.massadvantage.com).

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to Member Services at 1-844-918-0114 for HMO or 1-844-915-0234 for PPO (TTY: 711)

1 Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit <https://www.MassAdvantage.com> or call 1-844-918-0114 for HMO or 1-844-915-0234 for PPO (TTY: 711) to view a copy of the EOC.
 - ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
 - ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
-

2 Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
 - ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
 - ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month. If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or the RRB. DO NOT pay the Part-D IRMAA to Mass Advantage.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 844-513-0531. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover. If you don't select a payment option, you will get a bill each month.

Please select a premium payment option:

- ☐ Get a bill
- ☐ Electronic Funds Transfer (EFT) from your bank account each month.

Account Holder Name: _____

Bank Routing Number: _____

Bank Account Number: _____

Account Type: ☐ Checking ☐ Savings

- ☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check

I get monthly benefits from: ☐ Social Security ☐ RRB

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

INTRODUCTION TO SUMMARY OF BENEFITS

This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at www.MassAdvantage.com.

You are eligible to enroll in Mass Advantage if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Mass Advantage service area counties). Our service area includes the following counties in Massachusetts: Worcester.

The Mass Advantage Basic (HMO) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.MassAdvantage.com. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-network providers, neither Medicare nor Mass Advantage Basic (HMO) plan will be responsible for the costs).

This Mass Advantage Basic (HMO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source. You can access information about how the coverage works, including covered drugs as well as coverage limitations on our website at www.MassAdvantage.com.

INTRODUCTION TO SUMMARY OF BENEFITS

This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at www.MassAdvantage.com.

You are eligible to enroll in Mass Advantage if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Mass Advantage service area counties). Our service area includes the following counties in Massachusetts: Worcester.

The Mass Advantage Plus (HMO) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.MassAdvantage.com. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-network providers, neither Medicare nor Mass Advantage Plus (HMO) plan will be responsible for the costs.)

This Mass Advantage Plus (HMO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source. You can access information about how the coverage works, including covered drugs as well as coverage limitations on our website at www.MassAdvantage.com.

INTRODUCTION TO SUMMARY OF BENEFITS

This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at www.MassAdvantage.com.

You are eligible to enroll in Mass Advantage if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Mass Advantage service area counties). Our service area includes the following counties in Massachusetts: Worcester

With Mass Advantage Premiere (PPO) plan, you'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracting providers in our network. Either way, doctor visits, hospital stays, and many other services have a simple copayment, which helps make health care costs more predictable. You can see our plan's provider and pharmacy directory at our website at www.MassAdvantage.com.

This Mass Advantage Premiere (PPO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source. You can access information about how the coverage works, including covered drugs as well as coverage limitations on our website at www.MassAdvantage.com.
