

MASS ADVANTAGE

Plan to love your plan.

YOUR VISION BENEFIT

EyeQuest[®]

A product of DentaQuest

Whether you wear eyeglasses or contacts now or you have no current vision problems, regular eye exams are as important as a regular physical exam. Changes in your eyes and vision can occur, and the sooner you know about any changes and receive treatment, the better you will be able to deal with the situation.

Your no-cost annual eye exam can help identify many health conditions such as cataracts, glaucoma and more.

Over

YOUR VISION BENEFIT

Annual eye care is essential to your health and well-being.

All Mass Advantage plans offer coverage for routine eye exams and an annual allowance towards eyeglasses or contact lenses starting day 1.

Upgrading options or specialty lenses are available, if they cost more than the allowance, you will pay the difference.
