

MassAdvantage

2023 Pharmacy Directory

This pharmacy directory was updated on 11/2023. For more recent information or other questions, please contact us, Central Mass Health Customer Service at HMO: 844-918-0114 PPO: 844-915-0234 or, for TTY users, 711, 8 a.m. to 8 p.m. Eastern time, seven days a week from October 1 through March 31. From April 1 through September 30, we're available Monday through Friday from 8 a.m. to 8 p.m. Eastern time, or visit <https://www.massadvantage.com>.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at <https://www.massadvantage.com>. You may also call Customer Service at HMO: 844-918-0114 PPO: 844-915-0234 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of MassAdvantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MassAdvantage's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Central Mass Health. When it refers to "plan" or "our plan," it means MassAdvantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under MassAdvantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Postal Prescription Services (PPS). For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact MassAdvantage.
