PURPOSE

This list provides prior authorization guidance for providers who participate in the Mass Advantage Medicare Advantage HMO Basic, HMO Plus, PPO Premiere, and PPO Extra plans.

- To request prior authorization, please complete and submit the Inpatient Authorization Request or Outpatient Authorization Request Forms and fax to 888-656-7783. You can also contact our Utilization Management team, delegated to Prime Therapeutics Management LLC, by phone at 866-312-8467. Authorization forms can be found on our website: [Provider Forms and Resources - Mass Advantage](#).
- Member eligibility and benefit coverage can be verified by contacting Provider Services or electronically on our secure provider website. You can find contact information for Provider Services [here](#).
- Obtaining a prior authorization is not a guarantee of payment. In addition, while some providers may not be directly responsible for obtaining prior authorization, in some instances as a condition for payment, you may need to make sure that prior authorization has been obtained.
- As a Medicare Advantage plan, Mass Advantage is required to make coverage determinations for services through the Centers for Medicare and Medicaid Services (CMS) National Coverage Determination (NCD) policies and Medicare Administrative Contractors (MACs) Local Coverage Determination (LCD) policies. When cited by CMS, NCDs, LCDs, and Original Medicare guidance in Medicare manuals are utilized for decision making. When CMS citations are unavailable, we will follow a Hierarchy of Evidence for Medical Necessity Decision, including, but not limited to, MCG guidelines.
- New CPT/HCPCS codes approved released quarterly by CMS that are similar to existing services listed below will automatically require prior authorization prior to policy updates.
